Our Scenario Brief

TABLE DELIVERABLE

One succinct paragraph, supported by a short analysis of the future your table explored.

Table name: _____ **Industry:** _____ **Approach:** _____

Future year: _____ **Initial expectation:** _____

1 The change we investigated

What could agents make possible?

2 What is happening already?

Name evidence and sources, or mark a gap. Separate table experience.

3 A plausible future

Are our conclusions reasonable? What are we assuming? What could fail?

4 What people still contribute

What would people and organizations do? One implication for a new graduate?

5 Our biggest disagreement or uncertainty

What would help us resolve it?

6 What changed in our thinking?

Before ___. Now ___.

NAME YOUR TABLE AND SUBMIT

Collect your ideas. Ask Claude for one succinct paragraph and review it together. Choose a table name, then ask the student to push your reviewed analysis to **Report out**.
