Our scenario brief

Table: _____ Industry: _____ Approach: _____

Future year: _____ Initial expectation: _____

1. The change we investigated

What could agents make possible?

2. What is happening already?

Name evidence and sources, or mark a gap. Separate table experience.

3. A plausible future

What must be true? What could fail? What sign would you watch?

4. What people still contribute

What would people and organizations do? One implication for a new graduate?

5. Our biggest disagreement or uncertainty

What would help us resolve it?

6. What changed in our thinking?

Before ___. Now ___.

Report: We explored ___. We were surprised by ___. Our biggest uncertainty is ___.
